About Us.

Introduction

Our mission here at Fabric Venture Ltd. is to serve the fabric needs of the garments industry with better quality, attractive priced fabrics backed by outstanding customer service and technical expertise.”

Fabric Venture Ltd. (FVL) is a Fabric Manufacturing Company established at Chouwa, Meherpara, Panchdona, Norshingdi in 2012. Its traditional business is to provide both knit and woven fabrics to markets.

FVL expands its production lines by introducing the softest, most comfortable and most durable fabrics on the market for Apparel Industry.

FVL prides itself on its flexibility in serving its customers' needs in providing competitively priced, high quality fabrics and quick deliveries. It is the company's goal to serve the requirements of the apparel industry by offering fabrics that appeal to the fashion, lifestyle and performance driven consumer. Our highly trained staff is up to date on the latest advances in the industry and constantly strives to maintain and improve their level of expertise.

FVL knitting department consists of high-speed, multi-feeds, state-of-the-art machines. The equipment with vast range provides the capabilities to produce a wide range of fabrics.
