# Introduction

To become one of the best one-stop service providers universally by ensuring remarkable services to our valued clients.

FVL Sourcing is a Bangladeshi company that has a portfolio with several businesses — all related to the fashion industry. FVL Sourcing is a well-established reputed garments buying house in Dhaka. We have an experienced and hardworking sales, procurement, and quality control team, which can provide you with a complete service supplying quality garments at competitive prices.

We have our own textile unit also — that's the main strength of our buying. (Fabric Venture Limited)

We care for our new customers the same that we do for our major customers.

We have sound marketing and merchandising departments. We have our own sample section. We can provide quick support to our buyers. All of our executives are experienced and knowledgeable and can serve you on each of your requirements.

# Mission & Vision

## **Mission:**

Achieving the client satisfaction through –

- manufacturing perfection.
- product innovation.
- adoption of new policies.
- collaboration with all stakeholders.
- maintain proper work ethics & safety.
- use of state-of-the-art technology.
- prompt support in both before and after sales stages.

## **Vision:**

We are aiming to be the best one-stop service providers by ensuring remarkable and professional approach and assistance to our valued global clients.

# Values & Beliefs

Among thousands of sourcing destinations you'll choose us because of our exceptional morals of putting clients interest before our own profitability and maintaining proper work harmony between top to toe of product life.

We also believe that our quality will ensure our permanence in the market, and our long-standing presence will definitely help the world to be a greater place.

## Humility

We value intellectual modesty and dislike false pride and arrogance.

## Respect For Individual

We will treat others with dignity, sensitivity and honour.

## Entrepreneurship

We seek opportunities from everywhere.

## Teamwork & Relationships

Going beyond the individual, encouraging boundaryless behaviour.

## Delivering The Promise

We value a deep sense of responsibility and self discipline, to meet and surpass commitments made.

## Social Responsibility

Anticipating and meeting relevant and emerging needs of the society.

# Our Services

## Supplier Credibility

FVL Sourcing.'s experienced development team ensures fabric quality, construction, color accuracy, and weight. We evaluate each factory's capacity, environmental practices, safety compliance, and labor law adherence. Every supplier is assessed to ensure timely production and fulfillment of buyer expectations.

## Sampling

We emphasis on product development new style innovation for client submission. Our professional team of merchandisers and quality controllers create samples based on buyer specifications—covering design, fabric weight, shrinkage, color fastness, and more. Samples are submitted for approval before production begins.

## Packaging

Only approved goods are packed. We strictly follow all buyer AQL related to packaging and labeling to ensure the highest satisfaction.

## Our Manufacturing Unit

FVL Sourcing proudly owns and operates a fabric manufacturing unit in Bangladesh which is our great strength also. This gives us better control over production timelines, quality, and innovation.

## Sourcing

FVL Sourcing. maintains strong exclusive relationships with Bangladesh's top certified knit, woven, sweater, lingerie, and cap factories. Our sourcing partners hold certifications including BSCI, WRAP, RSC, Accord, ISO, Nirapon, OEKO-TEX, SEDEX, and more. Upon order placement, we coordinate and control the procurement and timely delivery of yarn, fabric, accessories, and labels. Buyers have full freedom to choose styles, colors, and design details.

## Quality Control

Quality controllers are stationed at every production unit to monitor all stages of manufacturing. We track each order from raw material to final shipment, ensuring it meets buyer standards. Regular updates are provided to clients at every phase.

## Shipment & Cargo Handling

All shipping documents are reviewed carefully to meet buyer guidelines. We work with trusted freight forwarders to provide accurate ETD and ETA updates. Timely delivery is as important to us as it is to our clients.
